Mr. Wayne Belcher,

Hunt/Lydig is very pleased with the quality of workmanship that is being displayed on the Coyote Ridge Correction Center. United Professionals has proven themselves as one of the sealant industries elite contractors. Through the month of September, United Professionals has completed 53% of the original contract value of \$1,073,175.00. It is a pleasure to work with you and look forward to the remainder of the project.

Thank you,

Jim Elves
